JON S. CORZINE
GOVERNOR

January 2009

Dear Friends:

Greetings to everyone gathered for the *Chinese New Year Spectacular!*

Tonight's performance features the best of Chinese classical dance and traditional Chinese culture. Through the choreography and traditional costumes and sets, the show expresses compassion and beauty. This event is a unique opportunity to enrich our communities through celebrating China's magnificent cultural heritage and fostering a better understanding between Chinese and Western societies.

For several years, the New Tang Dynasty Television, Divine Performing Arts, and the New Jersey Falun Dafa Association have created this tradition around the world as a graceful showcase of Eastern culture. It is with great joy that the 2009 Chinese New Year Spectacular is being featured at the New Jersey Center for the Performing Arts for all cultures to enjoy.

Best wishes for an enjoyable performance.

Sincerely,
